Review

Settlement date

On **August 23, 2024**, Dave will settle the negative balance in your ExtraCash account. The settlement date will be your next payday—or, if we can't detect your payday, the nearest Friday.

Settlement methods

Dave will try to **automatically** pull the full amount in the following order. If the full amount isn't available, we'll collect partially between any of these accounts.

ExtraCash FAQs

Why is my ExtraCash balance negative?

Nothing to worry about — whenever you take an advance, your ExtraCash account balance will be negative to show how much will be collected on your settlement date. Once you settle your advance, your account balance will go back to \$0.
